our children

- Children have an innate sense of the presence of God. The Godly Play approach helps them to explore their faith through story, to gain religious language and to enhance their spiritual experience through wonder and play. Based on Montessori principles and developed using a spiral curriculum, the Godly Play method serves children through early, middle and late childhood and beyond. Come join us!
- Godly Play begins at 9:45 as children gather in the undercroft (ask anyone for directions or follow the signs) and is held from the Sunday after Labor Day until mid June.
- If you would like your children to become a part of Godly Play, please call the church office (203) 375-4447 or e-mail us at ccstratford.org

who we are and what we believe

We are a part of the Anglican Communion, a worldwide fellowship of national churches that have their roots in the Church of England and its ancient, catholic heritage.

We believe

- in a loving God who made us in God's image and loves us as his children.
- Jesus Christ is the Son of God whose life reveals the love, forgiveness and compassion of God.
- the Holy Scriptures, both Old and New Testaments, guide us in knowing who God is and how God has cared for all creation.
- God gave us minds to think, so all questions and points of view are welcome.

We provide service booklets to guide you during the service as we stand, sit, kneel, worshipping God with mind, body, heart, and voice. All are welcome to participate fully.
